Wyndham Private is a modern specialist centre located within the growing Western Suburbs and positioned directly opposite the Werribee Mercy Hospital and next to St Vincent Hospital.

Services available within Wyndham Private Medical Centre:

- Austrian Clinical Labs
- Hoppers Lane General Practice
- Public Domain Cafe
- Core Dental
- MIA Radiology
- Pharmacy Select
- Werribee Heart
- Melbourne IVF
- Wyndham Private Specialist Consulting Suites
- Australian Eye Specialists

Wyndham Private Medical Centre was designed to accommodate the essential services of healthcare service providers and practitioners.

Completed in May 2012, Wyndham Private Medical Centre is a high quality two level building including 200 car parks for visitors and staff in a spacious landscaped environment.

We offer a limited number of fully equipped, managed specialist consulting suites. These can be either sessional or permanent suites and provide reception services options, internet, phone, cleaning and furniture.

We also have over 12 General Practitioners in house, so there is plenty of scope for referrals and cross collaboration.

Please see [www.wyndhamprivate.com.au](http://www.wyndhamprivate.com.au) for a list of specialists whom currently consult from Wyndham Private Specialist Consulting Suites.
